Essential Skills Test | Study Plan

Fill in the table below to help organize your preparation for the Essential Skills Test. Remember that you should be spending TWENTY minutes per day on studying, including this WEEKEND!

Date	Topics to Study	How I will Study	Start Time - End Time
Wednesday, May 24			
Thursday, May 25			
Friday May 26			
Sat-Mon May 27-29			
Tuesday May 30			

Studying Checklist

In addition to the study guide, please complete at least 2-3 of the items listed below.

- ___ **Required:** Complete the **Study Guide** in its entirety.
- ___ Attend **tutorial**. You must sign up in advance and know **what you want to work on**.
- ___ Email Ms. Minera/Pike with any questions
- ___ Complete practice problems from the textbook (page numbers for each topic provided)
- ___ REDO problems from your homeworks you have completed throughout the year (see IMNB)
- ___ REDO problems from the quizzes you have completed throughout the year (see IMNB)
- ___ Take the online lesson quizzes from the textbook (see link on wikispace).
- _____ Complete extra practice problems from the practice worksheets provided in class
- _____ Create a “study sheet” of key ideas, definitions, and problem procedures for the topics you need the most practice with. Create flashcards for key vocabulary and ideas.
- _____ Search topics on Khan Academy, IXL Math or another online math gaming platform in order to play online review games

5th Grade Essentials Skills Test

Listed below are the essential skills that you are expected to have mastered in 5th grade. Use this list a guide to studying over the next few weeks. We will stop and reflect often in class. The Essential Skills Test will cover all of this material and will be on:

Wednesday May 31st and Thursday June 1st

Skill	Lesson	Pages with Practice in Textbook	Got It!	Almost!	Need to Review
